Hi Patrice,

This is following up on Paul's request for 30 minutes with Larry today.

The topic for the meeting is administrative error / Tejon. Paul asked for me to join him when he talks with Larry. Attached is a draft informational memo for the meeting.

I am cc'ing Michael and Patrice for their information and so that they know there may be additional changes to the Draft Informational Memo that I sent this morning. I will update them if there is a new version following the ASIA meeting.

Thanks.
